

TRADING

Our Company

RTFM Ltd – Repairs-Trading-Fabrication-Manufacturing Ltd was established in 2018 and is currently based in Larnaca, Cyprus.

RTFM Ltd was founded in order to offer Reliable Services, mainly in the Maritime and Industrial sectors with a wide scope of experience and firm understanding of the subjects, by representing innovative, pioneering companies from all over the world and also by providing consulting services before, after or independent of any sale.

The founders and the personnel of RTFM Ltd, have a vast experience to the Shipping industry and the needs, requirements and restrictions of this demanding market. We are passionate to serve the ship and her needs, at the most efficient and reliable way.

We are dedicated to serve each company, considering today's budgetary restraints and offering our products and services in a cost-effective manner.

Specialization

Main Bearings

We are proudly announcing our cooperation with PBW BEARINGS PVT. LTD, covering products of Monometal / Bimetal / Trimetal Bearings, Bushing, Thrust Washers, Thrust & Tilting Pads.

Bimetal & Trimetal bearings and bushings are manufactured by indigenously developed Centrifugal Casting technology and Sintering Process, enabling both thick and thin wall bearings to be of exceptional strength.

PBW BEARINGS PVT.LTD. are able to offer Main bearings, thrust bearings, connecting rod bearings and bushes for Major Engine Builders such as but not limited to: MAN ES, WARTSILA, M.A.K./CATERPILLAR, DAIHATSU, YANMAR.

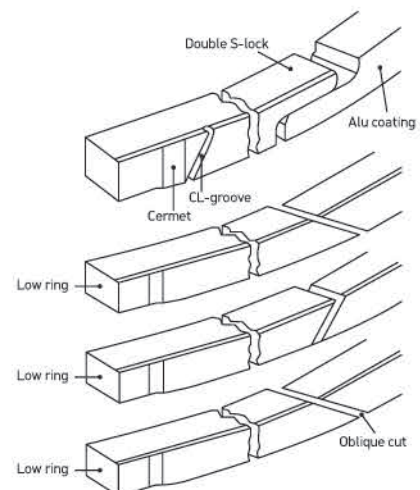

Piston Rings

RTFM Ltd. is specialized to offer Piston Rings Cermet and Alucoat types, produced by FM-DAROS, RIKEN/Japan or Precision Products/UK at very competitive prices.

Our knowledge of the market and our good relationships with local sources, allow us to offer Piston Rings ex stock or with prompt delivery, even when other suppliers are not able to offer.

We maintain stock in Piraeus for Cermet type piston rings of DAROS/Sweden.

What We Offer
